Moving Cleveland towards a cleaner, greener city.
Please expect to receive more information in the coming months.

For details call us at, 216.664.3717 or visit online www.cleveland-oh.gov

SAVE THE DATE...
Your new CARTS will arrive in a few months!

YOUR AREA HAS BEEN SELECTED FOR OUR NEXT EXPANSION PHASE!

What to expect from the new Automated Waste Collection and Curbside Recycling Service

- Each household will receive a minimum of two (2) carts: a 96 gallon black cart for regular waste and a 64 gallon blue cart for recycling delivered **June, 2012**
- The carts will be delivered to your home and should be used the following week on your regular collection day
- Please contain all waste in the proper carts provided:
  - Use black cart for regular household trash and non-recyclable items
  - Use blue cart for ALL recyclable material
- Recycling is mandatory and each resident must recycle glass, metal, plastic, paper and cardboard
- A special smaller cart size (48 gallon) is available for single family and senior citizen households **(contact us by May 15th to request this special size)**
- No change in your weekly scheduled collection day
- Over the next several months you will receive additional information on the requirements for this program; visit us online at **www.cleveland-oh.gov** or you can also contact our Recycling Hotline at (216) 664-3717.
